Being Well at Tech
3:45 - 4:30 PM
MUB (34), Ballroom
Life outside the classroom is a big part of your student experience. We’ll help with some concepts and resources that will help you to thrive while here.
Breakout Session One: 2:15-2:55 PM

Option 1: Academic Opportunities Outside the Classroom  
*Ballroom B1*
Learn about the amazing academic opportunities for undergraduate students at Michigan Tech. Presenters will share how you can take advantage of the Enterprise Program, Study Abroad, and Undergraduate Research Internships to distinguish your college experience and define your roadmap to success.

Option 2: More Than Resumes - Introduction to Career Services  
*Ballroom B2*
Career Services is so much more than resumes and interviews. This session will highlight the resources and programs offered by Career Services and show you how to use our career platform - Handshake to search for jobs, see a list of upcoming events, and make one-on-one advising appointments with our office.

Option 3: Experience Tech (Arts, Athletics, and Recreation)  
*Ballroom B3*
There’s so many fun and exciting things you can do at Michigan Tech with the Experience Tech program. Come learn how to make the most of the Experience Tech Fee through Athletics and Recreation and the Rozsa Center for the Performing Arts. Identify how you can get involved in recreational sports, music, theatre, art and entertainment on campus.

Breakout Session Two: 3:00-3:40 PM

Option 1: Social and Civic Engagement at Tech  
*Ballroom B1*
Being involved in the Michigan Tech and Copper Country communities is an important part of being a student. The Center for Diversity and Inclusion (CDI) is a great place to meet new people, hang out, and get connected. CDI promotes equality, inclusion, and strives to provide a safe place where all students of multiple social and cultural identities feel welcome. Come learn more about CDI and all the programs and opportunities available to get involved.

Option 2: Get Involved at Michigan Tech  
*Ballroom B2*
Learn about the many exciting opportunities to enhance life outside the classroom through Student Leadership & Involvement! This session will provide an overview of student organizations, community service events, campus traditions, leadership opportunities, and other ways to get involved, including student government, the programming board, and fraternity and sorority life.

Option 3: Academic Success and Campus Resources  
*Ballroom B3*
The Wahtera Center for Student Success supports students with the transition to Michigan Tech and in navigating the challenges and opportunities of college life. Learn about the many resources and services available through the Wahtera Center and across campus to assist you and enhance your college experience.

Notes
After Orientation Checklist

- **HuskyCard**
  Your HuskyCard is your official Michigan Tech photo ID. It grants access to campus buildings and events, so make sure you keep it on you at all times. You can pick it up at the Van Pelt and Opie Library (17) at the IT User Services Center. You’ll need a photo ID and your Michigan Tech M-Number.

- **Parking Decal**
  If you have a car on campus, visit Transportation Services in the Administration Building (1), Room 100. Bring a valid photo ID and your current vehicle registration.

- **Bike Registration**
  Register your bike for free online at: mtu.edu/publicsafety/crime/bicycle. A decal will be mailed to the address you provide, which you should affix to your bike frame.

- **Connect Your Computer**
  If you need assistance, visit the IT Service Center in the Van Pelt and Opie Library (17) or call 906-487-1111.

- **Get Your Textbooks**
  Books and supplies can be purchased at the Campus Bookstore located in the Memorial Union Building (34). Bring your HuskyCard to access your schedule and list of required textbooks.

- **Make Introductions**
  Introduce yourself to other new students and your Academic Advisor. You can find advisor information on your MyMichiganTech portal or at mtu.edu/registrar/students/advising.

- **Get Excited for Classes!**
  Look at your schedule to find where your classes are going to be and get excited for the start of your time as a Husky. The spring semester starts on Monday, January 13, 2020.
