Orientation Check List

- **Move In**
  There’s a 20-minute time limit for unloading all your belongings into your residence hall, in order to keep everything running smoothly. Volunteers will be available to assist with move in. After unloading, please park student cars in Lot 21. Visitors and parents can park in Lot 10.

- **HuskyCard**
  Your HuskyCard is your official Michigan Tech photo ID. It grants you access to all campus buildings, meals, and events. Make sure you keep it on you at all times.
  On Saturday: If you submitted a photo for your ID by August 1, it will be inside this student schedule book. If not, you can get your photo taken in the East Reading Room of the Van Pelt and Opie Library (17) and IT will be able to print your HuskyCard on the spot.

- **Parking Decal**
  On Saturday: If you have a car on campus, and if you have registered your vehicle in the Michigan Tech Parking Portal, your parking decal will be inside this student schedule book. Need to register? Please see Transportation Services in the East Reading Room of the Van Pelt Library (17).

- **Connect Your Computer**
  If you need assistance, visit the IT Service Center in the Van Pelt and Opie Library (17) or call 906-487-1111.

- **Get Your Textbooks**
  Books and supplies can be purchased at the Campus Bookstore located in the Memorial Union Building (34). Bring your HuskyCard to access your schedule and list of textbooks. Hours are listed on page 4.

- **Bike Registration**
  Register your bike online at: mtu.edu/publicsafety/crime/bicycle. This helps return lost or stolen bikes to their proper owners. A decal will be mailed to the address you provide, which you should affix to your bike frame.

- **Make Introductions**
  Everyone is excited to meet new people and make connections! Introduce yourself to your Resident Assistant (RA) and other new students.

- **GET EXCITED FOR ORIENTATION!**
  Look for your team assignment on the front of this schedule book, and get ready to have an awesome time!

- **Meet Your Team!!**
  Write your team meeting location here: ________________________________
As your Orientation Executive Staff, we welcome you to Michigan Tech and to Orientation 2019. Just as we have made Houghton and Michigan Tech our home away from home, we hope you will take this wonderful community to heart. Throughout orientation week, you will immerse yourself in activities with the staff, faculty and your fellow students. Through meeting your academic advisor, academic department, and attending your Day Zero classes, we will get you started on the path to success. In addition to meeting people and finding your way around campus, you will have opportunities to identify strategies and resources to support your continued academic and personal success, as well as learn your rights and responsibilities as a Michigan Tech student. As you go on and make lifelong friendships, you will see that the wonderful community of people, including you, is what makes Michigan Tech such a wonderful place. We hope you enjoy this week as much as we’ve enjoyed planning it. Join us as we discover the elements of us!

Best Regards,

Gabriel Raney, Ben Chizmar, Scott Sviland and Jennifer Siffer

**Placement Testing**

**Spatial Visualization Test**
All engineering and engineering management students are required to take this test. You must bring your Michigan Tech email address, M-number, and a laptop (you may not use a smartphone). Be sure you can log in to your University account over Wi-fi before the test. This test determines your placement in first-year engineering courses.

**Modern Language Placement Tests French, German, & Spanish**
These tests are required for students who have prior experience in French, German, or Spanish and wish to take modern language classes at Michigan Tech. The test ensures placement into the appropriate language level/course. You are encouraged to pre-register for the exam at the following link: mtu.edu/humanities/undergraduate/modern-languages/register. You may also register onsite (please have your HuskyCard available). The test takes an hour to complete.

**English as a Second Language**
Students enrolled in English as a Second Language (ESL) are required to take the Test of English as a Foreign Language (TOEFL) before registering for classes. Bring your M-number and a form of photo ID with you to the test.

**Chemistry Placement Test**
The test is designed for anyone who was placed into CH1000, based on their math placement, and would like to challenge their placement, or students who may have concerns about the strength of their high school chemistry course and would like to see if they are ready to succeed in University Chemistry 1.
To register: www.registerblast.com/mtu
#1 Group: Michigan Tech Exams
#2 Group: Chemistry
#3 Exam: Chem Placement Exam
