

# Orientation 2022

## Welcome to Michigan Tech, [Preferred Name]!

We are busy planning an Orientation program to get your Michigan Tech experience off to a successful start.

If you are living in a residence hall, Check-In and Move-In are Friday and Saturday, August 19–20. Later this summer, you will receive a Check-In time via your MyMichiganTech portal.

Transfer students have two distinct Orientation program elements that you should plan on attending.

- Departmental Introductions and Advisor Meetings on Monday, August 22, between 8:45 a.m. and noon.
- Transfer Orientation on Wednesday, August 24, from 1:30 to 5:30 p.m. in Fisher Hall. Registration starts at 1 p.m.

All students majoring in engineering must take the spatial visualization test on Wednesday, August 24, from noon–1 p.m. in Fisher Hall.

Classes start Monday, August 29. We're excited you'll be joining us!

Check your Michigan Tech email for more detailed information about your pre-arrival, Orientation, and transition to campus.
