

Subject: Let us know your questions!

Hello [preferred name],

We hope your summer is going well! July is just around the corner and we would love to hear what questions you have for us about Orientation and the start of fall classes at Michigan Tech.

While we are always available throughout the summer, you will have a couple of specific opportunities to ask us questions in the coming weeks. First off, you can take a moment to fill [out this form](#) and let us know what is on your mind. We will review your input and address your questions in future communications. Second, two current Michigan Tech students and members of our Orientation Executive Staff will hold a live Q&A via video feed on Instagram (@wahteracenter) on Wednesday, June 30 at 7 p.m. EST. Drop by to ask questions about the student experience here at Michigan Tech, or just hang out to see what other incoming students are curious about.

We can't wait to meet you in August!

Warm regards,

The Michigan Tech Orientation Team
