

Hello Huskies!

August is here and we are only two weeks away from welcoming you to campus for our move-in weekend and new-student orientation.

We are writing to remind you of a couple of "to-dos" before you come, but also to let you know that you should check your mailbox - a little surprise is coming from us in the next few days.

Three quick reminders:

- You may remember that we asked you to submit a fun photo for a mosaic that we would like to put together. Thanks to everyone who has submitted a photo, but at this point we need those of you who haven't done so to participate to move forward with the project. So, please [take a second to submit a fun photo](#). This is it, it's now or never!
- Speaking of photos, [please submit your Husky ID photo](#) if you haven't. This will save you time and hassle during your check-in, so please get it done today. You can submit your same photo for your ID and the mosaic, as long as it fits the Husky ID parameters.
- Finally, you should have all received an email invitation to the AlcoholEdu course from EverFi. Please complete that course before you come to campus. It's required, and absolutely beneficial.

If you have any last minute questions, please don't hesitate to contact us at [success@mtu.edu](mailto:success@mtu.edu) or 906-487-3558

We can't wait to see you!

Warmly,

The Orientation Staff
