Welcome New Huskies!

We are excited to be getting ready for an awesome orientation week that will prepare you for a successful Michigan Tech experience!

Since you were first accepted, some important changes have been made to the academic calendar.

- Fall classes are now scheduled to begin on Thursday, August 27 with first-year orientation held August 23-26.
- Move-In is planned for Friday afternoon and all-day Saturday, August 21-22. You will receive more details about this process in the coming weeks.

Save the date for a virtual town hall meeting just for new students and families on June 9 at 4 p.m. Watch for an email with more information next week!
