

Dear Student,

We are excited to welcome you to the Michigan Tech family this fall! We want you to start your Michigan Tech experience successfully and are planning an orientation program that is tailored to the needs of transfer students like you.

Your on-campus orientation programming will start on Sunday, August 23 from 4 to 6 p.m. where you will get a chance to learn about key people and resources on the Michigan Tech campus, as well as hear from a panel of transfer students who have been through the transition process. You will also have access to a number of important orientation programs during the week leading up to the first day of classes on Thursday, August 27. During that time, you will be able to connect with important people in your academic department, including your academic advisor. You will also have the opportunity to explore various academic and extracurricular ways to get involved on campus.

Watch for a postcard and emails with more information throughout this summer.

Here are the key dates for you:

- Check-in/Move-in:
- For transfer students living in a residence hall, check-in and move-in is on Friday, August 21 or Saturday, August 22. You will receive an assigned time in early July.
- For transfer students living off campus, the check-in time will begin at 3:30 on Sunday, August 23 (directly before transfer orientation).

- Transfer student orientation will be held 4-6 p.m. on Sunday, August 23. Department Introductions and Advisor Meetings start at 9 a.m. on Monday, August 24. You will be able to access a variety of other optional programs throughout the week.
- The first day of classes is Thursday, August 27.
