COMPETITIVE SCHOLARSHIP PROGRAMS APPLICATION

Michigan Tech Summer Youth Programs

PROGRAM OVERVIEW

We offer several competitive scholarships programs to talented students from across the country and abroad. These programs are typically more intensive, deeper-dives into a particular field of interest, and selection is based on a combination of factors including students' grades, answers to short questions, and letters of recommendation. During the program, participants will:

- Work in teams to solve problems and complete hands-on projects.
- Hear from role models working in the field.
- Learn about the college application process and tips for succeeding in university programs.
- Experience college life—stay in a residence hall, explore campus, and meet other students with similar backgrounds and interests.
- Enjoy team competitions, recreational activities, and outdoor adventures in Michigan's Keweenaw Peninsula.

COST

There is a **nonrefundable** registration fee of \$300* that is due within 10 days of acceptance into the program. **Do not send in your payment with your application.** If accepted, we must receive your registration fee to complete your enrollment and guarantee your spot. All selected participants receive a scholarship valued at more than \$1,000, which covers all tuition, classroom supplies, and room and board.

*Rail and Intermodal Transportation Program registration fee is \$450.

TRANSPORTATION

You are responsible for your own transportation to campus. Travel accommodations and charter bus information will be provided upon program acceptance.

SELECTION CRITERIA

For high school programs, preference will be given to applicants entering 11th or 12th grade who have had two years of high school math and science. However, outstanding younger students and those without these prerequisites will be considered. The selection committee reviews application materials, involvement in extracurricular activities and outside interests or responsibilities, short responses to questions, teacher recommendations, and school transcripts. Neatness, accuracy, and following directions will also be considered. The selection committee meets one week after the deadlines to review applications.

Previous participants are not eligible to attend the same program again.

HOW TO APPLY

The application deadline is 5 PM (EST), Saturday, April 10, 2021. For early decision, submit applications by 5 PM (EST), Monday, March 1, 2021. Late applications may be considered if additional scholarships become available. Visit mtu.edu/syp to apply online and then send in your completed **application**, including a **teacher recommendation**, the required **short responses to questions**, and a copy of your **unofficial school transcript**.

PLEASE TYPE OR PRINT YOUR RESPONSES TO THE QUESTIONS BELOW ON A SEPARATE PIECE OF PAPER.

Be sure to put your full name and the name of all competitive scholarship programs you are applying for at the top of the page.

1. List your current courses and the courses you plan to take next. Please explain which class you are looking forward to the most and why.
2. Describe your involvement in any extracurricular activities, hobbies, or community organizations.
3. Write a statement (**250 words or more**) discussing why it is important to you to have this experience for chosen programs.
4. What is a question or problem for our world you would like to investigate during your career? How do you hope to contribute to society?

TEACHER RECOMMENDATION LETTER

STUDENTS: Have your science or math teacher (or a teacher within your field of interest) write you a letter of recommendation; include it with this application.

TEACHERS: Michigan Tech’s Summer Youth Programs offer highly competitive scholarship program that offers participants the chance to further explore fields of interest. Please address the following in your recommendation:

- Why are you recommending this student for a competitive scholarship program?
- Provide an example of the academic and personal traits illustrating this student’s potential.
- How would this student benefit from this experience?

Teacher name _____ Subject _____ Email _____

SCHOOL TRANSCRIPT

Enclose your most recent transcript (unofficial versions are accepted) of your high school coursework through the first semester of this year. If your school uses a grading system other than the 4.0 scale, send an explanation of the method with the transcript.
