Subject: Lot Closure Tomorrow Sept. 30

Body: Good afternoon,

The old Lot 11, located between the MUB and the Administration Building, will be closed starting tomorrow, Wednesday, September 30, through the end of this week. The closure is needed to allow time to set up for the groundbreaking of the new Chang K. Park Center for Student Wellness on Friday, October 2.

During the closure, Black permit holders should park in the new Lot 11, located on the west side of Lot 1 (closest to the Alumni House).

Key dates:

Wednesday, Sept. 30 – Friday, Oct. 2: Old Lot 11 closed. Please park in the new Lot 11.

Monday, Oct. 5 – Friday, Oct. 9: Old Lot 11 reopens. Friday, October 9 will be the last day parking is available in this lot.

Monday, Oct. 12: Construction fencing begins. Please plan to park in the new Lot 11 regularly from this day forward.

Thank you for your patience and cooperation during this transition.
