Subject: Summer Orientation Parking **Reminder**

Body: Good afternoon,

Towards the end of this week campus will partake in another Summer Orientation session and we're excited for the many enthusiastic new students and their families to arrive on campus. While they've received instructions on where to park, there is a possibility that some may inadvertently park in faculty/ staff lots.

On Friday (6/12/2026) if you encounter a faculty/staff lot that is full, please be aware that you are welcome to park at any campus parking meter (ParkMobile zone), visitor pay lot, or along the Cliff Drive parallel parking spaces complimentary and without risk of receiving a parking citation.

We strive to accommodate everyone's parking needs during this busy time , so If you have any questions or anticipate needing specific parking accommodations related to Orientation, please don't hesitate to contact us at parking@mtu.edu.

Thank you for your understanding and cooperation.
