SELF-IMPROVEMENT GROUPS

THE ART OF SELF-COMPASSION

Are you your own worst critic? Sometimes we are kind to others, but not to ourselves. Learn how to love yourself even when you don't do as well as you had hoped. Build your capacity for resilience and compassion while understanding that you don't have to be doing better than everyone else to feel good about yourself. Being more self-compassionate can lead to greater happiness, higher motivation, better relationships, and less anxiety and depression. Contact Sarah Woodruff (smwoodru@mtu.edu) for more information.

Tuesdays at 11:00 AM
